Ice rink

DIFFICULTY

beeSPORT | Tester - Onlce

AFTER COMPLETING THIS COURSE, YOU WILL BE ABLE TO

Test independently hockey players. beeSPORT | Tester is a comprehensive solution for sport testing and evaluating the level-conditioning and coordination abilities of a hockey player. Moreover beeSPORT | Tester includes a set of tests specifically designed for hockey players. We recommend using the SbeeSPORT | Tester not only for testing and evaluation, as well as a normal part of daily training, due to the possibility of immediate and objective feedback.
